

## FUNDRAISING GOAL MET FOR #CLOVISCRUNSHGIVINGDAY

Our second annual online #GivingTuesday campaign on November 27 was a huge success. Students, staff, faculty, administrators, and community members stepped up to the plate and together, \$26,338.22 was raised, which will go towards student scholarships. The college quickly reached its \$25,000.00 goal and, in doing so, Foundation Board President Gina Cuttone and Board Member Gus Bonner matched that by donating \$5000.00 each. We are grateful for all who donated and know our students will greatly benefit from the additional scholarships as they work to pursue their educational goals. Donors were inspired and amazed by our 2018 scholarship recipients. During the scholarship ceremony, students shared powerful stories about their educational journeys. Many have endured hardships, challenges and obstacles, but through it all, they remained focused on their educational goals. They were very grateful to the donors for believing in them by providing a scholarship to help them achieve their dreams. Read the article from the [Clavis Roundup newspaper](#).
