THE BLACK STUDENT UNION (BSU) ORGANIZED VARIOUS EVENTS IN HONOR OF BLACK HISTORY MONTH AND ALL WERE INVITED TO PARTICIPATE IN THE INFORMATIVE WEEKLY EVENTS

On February 6 the BSU was excited to hold the “[Read In](#)” as their first event. Students, staff, and instructors participated by selecting and reading their favorite passages from African American authors. Some participants shared art and music that had a cultural background.

On February 12 a round-table was held where black students talked about their experiences at Clovis Community College. The dialogue was informative for all who attended with a question and answer period at the end.

On February 20 a mental health awareness event was held. The BSU wants to help break the social stigma of mental illness. The event was a great opportunity for students and staff to talk openly about the importance of self-care.

On February 21 a group traveled to Colonial Allensworth State Historic Park in Earlimart. Allensworth was a town founded by Lt. Colonel Allensworth in 1908 and became the only California town to be founded, financed and governed by African Americans. The site of the town became a State Historic Park in 1974.

After a successful series of events, the BSU held a soul food potluck on February 26. All were invited to enjoy the fun, festivities and delicious food.
