Certificate of Achievement in Commercial Music Performance

Complete the following program of study (Major #C.5851.CA). Major requirements (17 units minimum).

The Certificate of Achievement in Commercial Music Performance develops the necessary skills to participate in professional recording studio sessions as well as contemporary live performance for instrumentalists, singers and digital music programmers. Part of a series of Commercial Music certificates, students cover a broad history of music, music production, and music theory while specialized courses focus on the technology used for live performances and recording studio sessions from the performer perspective. Students explore music production for recording demos and the important business aspects of a career in music. Through the certificate, students develop their performance skills in various situations across many styles of music, preparing them for professional work as a recording artist or performer.
