Program Learning Outcomes:

1. Analyze major psychological theories and research, and apply them when examining behavior & mental processes.
2. Synthesize knowledge regarding biological, psychological, and sociocultural influences on behavior and mental processes.
3. Critically evaluate scientific claims within the field of psychology and differentiate from pseudoscience.
4. Utilize psychological applications in the pursuit of self-improvement (e.g., develop effective college learning skills) and relationships.

To obtain the Psychology Associate in Arts Degree for Transfer, students must complete the following requirements:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
    - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth requirements.
    - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- Obtainment of a minimum grade point average of 2.0. Associate Degrees for Transfer (ADTs) also require that students must earn a "C" grade or better in all courses required for the major or area of emphasis.

Notes:

- Certification of either the California State University General Education Breadth (CSU GE-Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC-CSU version) is required. CSU GE- Breadth and IGETC advising sheets are available in Student Services, AC2-133 or online at CCC GE (CSU/UC) GE and Major Sheets
- Courses may double count in the major and CSU GE-Breadth or IGETC.

    To see what CSU campuses, accept this degree go to www.icangotocollege.com.
