WAYS TO ENGAGE

HOW PARTNERSHIPS WITH COMMUNITY COLLEGES BUILD YOUR COMPETITIVE EDGE

INDUSTRY ADVISORY BOARDS – Our industry-specific advisory boards give you voice to our curriculum development process. You talk. We listen. We deliver.

TALENT RECRUITMENT – Community colleges have workforce centers that get students ready to apply to your job opportunities saving you time, money and energy in finding a great match.

INTERNSHIPS – Your participation in internships means you get to try out the latest talent in your industry, a cost-effective workforce strategy for finding the perfect match for your company.

EMPLOYER BRAND BUILDING EVENTS – We connect you directly to students that are eager to learn about your company and your industry. From a simple worksite tour or mentorship experience, these are quick events to build your employer brand in the community that we set up and deliver for you.

APPRENTICESHIP – Community colleges receive special funding to support employers in designing a highly effective apprenticeship program to groom your workforce talent. Let us take care of the details and collaborate with you on the type of apprenticeship experience that best works for your business.

As valued businesses in our region, community colleges stand ready to invest in your competitive edge.
