

The Child Development Center and Lab School

The Child Development Center and Lab School opened in the fall of 2007. The six-million dollar facility was funded through a collaboration with the State Department of Education, Clovis Unified School District, State Center Community College District and First Five of Fresno and serves a dual role: providing high quality child care services for children and as a model demonstration site for students studying child development. The center is accredited by the National Association for the Education of Young Children.

Admission & Eligibility

The Child Development Lab School gives enrollment priority to children between the ages of 19 months and 5 years of age from the following three groups:

- » State Center Community College students taking a minimum of 6 units per semester.
- » State Center Community College staff and faculty.
- » Clovis Unified School District Employees.

For more information go to

The Child Development Center entrance is located in the parking lot on International Street.

Clovis Community College complies with all federal and state rules and regulations and does not discriminate on the basis of race, color, national origin, gender, disability, sexual orientation, religion or age. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities. Harassment of any employee/student with regard to race, color, national origin, gender, disability, sexual orientation, religion or age is strictly prohibited. Limited English speaking skills will not be a barrier at Clovis Community College to participate in Vocational Education programs. Inquiries regarding compliance and/or grievance procedures may be directed to the college's Title IX Officer and/or the Section 504/ADA Coordinator.

Funded in part by the California Community College Chancellor's Office, through a grant from the Carl D. Perkins Career and Technical Education Act of 2006.
