

2017-2018

Certificate of Achievement in Early Intervention Assistant

Complete the following program of study (Major C.561R.CA). Major requirements (30 units minimum). Current legislation mandates that infants and young children with disabilities and other special needs, be served in the “natural environment”, starting at birth. This certificate of achievement is designed to prepare students to work with infants, toddlers, and young children with disabilities and other special needs in early intervention settings and inclusive early care and education settings. A student who completes the certificate is qualified to work at the Early Intervention Assistant I level of the California Early Start Personnel Model.*
