Certificate of Achievement in Intersegmental General Education Transfer Curriculum (IGETC)

A grade of "C" or better is required in the following courses: (Major #C.5801.CA).

The Certificate of Achievement in Intersegmental General Education Transfer Curriculum (IGETC) is a program that provides students with the option of fulfilling all lower division general education requirements for transferring to the California State University (CSU) and University of California (UC) systems. Students who intend to transfer must meet all current IGETC lower division general education transfer requirements including minimum GPA to achieve the Certificate of Achievement. Students may also request certification of the general education upon completion of this Certificate of Achievement.

The Certificate of Achievement will appear on student's transcripts, but the certification is a separate request that must be filled out by a counselor and is the student's responsibility to submit to their transfer institution. Students are firmly advised to meet with a counselor to discuss transfer requirements and lower division major preparation that is needed for their intended transfer university. Although the certificate recognizes the completion of IGETC lower division general education requirements, it does not guarantee admission to a specific campus within the CSU or UC system nor does it guarantee admission to a specific major. Some majors and colleges may require a different lower division preparation and/or a higher GPA than is necessary for this certificate. A grade of "C" or better is required in all courses.

High School: _____ **2Yrs. Same Language “C” grades or better:** _____

Notes:

*Courses listed above in more than one location will only be counted one time except for courses in Language Other Than English, which can be certified in Areas 3B and 6.

- To graduate from a CSU a U.S. Government (including California) course (POLSCI 2 or 2H) and a U.S History course (HIST 11, 12, 12H) must be completed.
- Fresno City College (FCC) and Reedley College (RC) courses may satisfy requirements differently than Clovis Community College courses. See the FCC and RC IGETC Worksheet or go to <http://www.assist.org> for courses completed at RC, FCC, and other California Community Colleges.
- Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit student to transfer from a California Community College to a California State University (CSU) or University of California (UC) campus generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. It is strongly recommended that students complete IGETC prior to transfer. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion. All UC and CSU campuses will accept the completed IGETC to satisfy all lower-division general education requirements. However, individual colleges or majors within a CSU or UC campus may not accept IGETC for meeting general education.
- A list of those UC colleges and majors is found on the following website:
<http://admission.universityofcalifornia.edu/counselors/files/transfer-admission-matrix.pdf>
- Students transferring to a CSU with a completed IGETC will still need to complete 9 semester units of upper-division general education (GE) after transfer and may be held to other campus specific graduation requirements outside of general education and major coursework.

Credit by External Exams

There is no limit on the number of external exams that can be applied to IGETC. External exams may be used regardless of when the exam was taken.

Advanced Placement (AP)

- A score of 3, 4, or 5 is required to grant credit for IGETC certification. An acceptable AP score for IGETC equates to either 3 semester or 4 quarter units for certification purposes. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language other Than English (LOTE). (See Section 10.6.3) Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both.
- There is no equivalent AP exam for Area 1B- Critical Thinking/Composition requirement.
- Students earning scores of 3, 4, or 5 in the physical and biological science AP examinations earn credit toward IGETC Area 5 and meet the IGETC laboratory activity requirement.

Actual AP transfer credit awarded for these and other AP exams for admission is determined by the CSU and UC.

The UC Policy for AP credit can be found at: <http://admission.universityofcalifornia.edu/counselors/files/ap-satisfy-admission-and-igetc-req.pdf>

The CSU also has a system-wide policy for these and other AP exams for awarding transfer credit for admission. The CSU policy for AP can be found at: <http://www.calstate.edu/app/general-ed-transfer.shtml>

International Baccalaureate (IB)

- A score of 5, 6 or 7 on Higher Level exams is required to grant credit for IGETC certification. An acceptable IB score for IGETC equates to either 3 semester or 4 quarter units for certification purposes.

Actual IB transfer credit awarded for these and other IB exams for admission is determined by the CSU and UC.

The UC Policy for IB credit can be found at: <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>

The CSU also has a system-wide policy for these and other IB exams for awarding transfer credit for admission. The CSU policy for IB can be found at: <http://www.calstate.edu/app/general-ed-transfer.shtml>

College Level Examination Program (CLEP)

- CLEP cannot be used on IGETC
