

2021-2022

## Communication Associate in Arts Degree

Complete the following program of study (Major C.5342.AA). Major requirements (18 units minimum).

The number one skill requested by employers is good communication skills. The associate degree in communication will give students a solid foundation of communication skills for a variety of situations. The overarching program outcome is that students will know how to gather, organize, and present information to others with confidence and competence. Communication courses focus on how people use messages to generate meaning within and across various contexts, cultures, and channels.
