

2022-2023

Rehabilitation Aide Certificate of Achievement

Complete the following program of study (Major #C.4500.CA). Major requirements (19 units minimum).

The Certificate of Achievement in Rehabilitation Aide is designed to prepare students for employment as an entry level rehabilitation aide who work directly under a medical therapeutic profession such as a physical therapist, physical therapy assistant, or occupational therapist. Rehabilitation Aides have clinical and office training to work in hospitals, rehabilitation centers, skilled nursing, and private practice clinics. Students will receive instruction in basic human anatomy and physiology, medical terminology, office skills, and basic rehabilitation procedures. No prerequisites are required and there are no enrollment limitation.
