

SCCCD – Clovis Community College Educational Enrichment Program

Listed below are the procedures for applying to the Educational Enrichment Program:

1. The intent of this program is to provide college enrichment opportunities for a limited number of eligible high school students in **grades 10th, 11th, and 12 (exceptions may be considered: See Special Admittance Policy)**. Students must have exhausted all opportunities to enroll in an equivalent course at their high school.
2. Educational enrichment students are provisional students during each semester of attendance and therefore must register as New Students each semester.
3. Minimum eligibility to the Educational Enrichment Program includes a 2.5 GPA for Juniors and Seniors and a 3.0 GPA for Sophomores computed from all courses completed except PE and military science.
4. All high schools must file a copy of their Board of Trustee's resolution authorizing participation in the program with the Clovis Community College Vice President of Instruction and Student Services. The resolution can cover an extended period of time or be reviewed on a yearly basis, at the Board's discretion.
5. Not all courses listed in the Clovis Community College catalog are available to Educational Enrichment students. Generally, courses of a remedial nature, courses for which failing grades were earned, and courses required for High School graduation do not meet the intent and spirit of the program.
6. Educational Enrichment Program students must spend a minimum day of 180 minutes on the high school campus. The Educational Enrichment application includes a place for the high school to verify that the minimum day requirement is being met. The application will also include the specific classes which the high school is authorizing for each student.
7. A complete application consists of:
 - State Center Community College District (SCCCD) Admission Application (enrichment students have access to the online admissions application; available **October 1st** for spring and **April 1st** for summer & fall). For the term, students will select the semester and enrichment (example: Summer/Fall 2019 Enrichment/Dual Enrollment). The admissions application is available online at www.cloviscollege.edu/apply. Once completed, students will receive their ID number via e-mail. On the online application, please:
 - Select "Summer/Fall 2019 Enrichment/Dual Enrollment"
 - Be sure to indicate your anticipated high school graduation date; it is required to complete the application
 - **For Returning Enrichment Students-** You will not need to complete the Online Admissions Application for Enrichment/Dual Enrollment as long as you have not missed more than two semesters of enrollment.
 - Educational Enrichment application with all **required signatures**. **Your high school counselor must assist you in your selection of requested course(s)**.
 - A current **High School Transcript** and **If requested** a Clovis Community College Placement Exam.
 - **We are unable to process incomplete applications and it is the student's responsibility to ensure the application is complete.**
8. An Educational Enrichment Application and a current High School Transcript must be provided **each semester** the student plans to attend.
9. Please submit your completed packet to the **Counseling Office** at Clovis Community College (AC2-133).
