

Clovis Community College

Club Kognito Contest Rules- Spring 2019

Mandatory Steps

- ❑ Register your club for the contest by emailing: healthservices@cloviscollege.edu
Include your Club Name and intent to compete in the Club Kognito Contest.
- ❑ Two club leaders (and/or their designees) must:
 - Collect, review, organize and count all pledge forms and certificates.
 - Complete and sign the *Student Club Kognito Contest Submission Form*
 - Turn in all paperwork, in one submission only, to the Health Services Office AC2-274W by **DEADLINE: Friday, May 3, 2019 at 3:00 pm.**

Contest Rules

1. There are six Kognito Training Modules – three faculty training modules (1. At-Risk, 2. LGBTQ, and 3. Veterans) and three student training modules (1. At-Risk, 2. LGBTQ, and 3. Veterans). **The At-Risk module is the highest priority training for this contest. Completing at least one At-Risk module is mandatory before counting any additional module certificates.**

Example 1: If a participant completes one At-Risk training, you can also count their LGBTQ and/or Veterans certificates in your total.

Example 2: If a participant ONLY completes an LGBTQ or/or Veterans training, but does NOT complete an At-Risk training, the LGBTQ and/or Veterans certificate(s) CANNOT be counted in the club total.

2. Only certificates obtained from students, faculty or staff of Clovis Community College (or their relatives) are eligible for counting in this contest.
3. Students, Faculty and Staff can complete any student or faculty module. You do not have to be faculty to complete a faculty module. You do not have to be a student to complete a student module. **Therefore, it is possible for one individual participant to turn in 6 valid training certificates.**
4. If a participant completed Kognito training(s) in the past, the date of completion on the certificate(s) may be years prior to this event. You can still count certificates with older dates of completion in your club total.
5. Participants cannot give their certificates to more than one club. There should be no duplicate certificates from any individual turned into the Health Office.

NOTE: Winners will be announced at Spring Extravaganza on May 7, 2019.
