

STRATEGIC PLANNING RETREAT HELD ON OCTOBER 23

The virtual retreat provided an opportunity to review the [Strategic Plan](#) and conduct a gap analysis to assess progress and see where there are gaps and what we might add for the next plan. The current Strategic Plan has six goals, each of which has four to eight objectives, with one to four action steps. Administrators, faculty, and classified professionals were assigned to various breakout rooms to discuss the gap analysis form. They reviewed the objectives and answered these questions:

- Is the objective complete?
- Is there work to do?
- Is there a gap?
- What else can be added?

Our next retreat will be held in November and the college will continue these discussions.

EQUITY LEADERSHIP ALLIANCE UPDATE

CCC joined the University of Southern California (USC) Race and Equity Center's "California Community College Equity Leadership Alliance" and will participate in various trainings throughout the academic year. A team of five faculty and administrators participated in the 2nd eConvening on October 12. The focus was on understanding and addressing implicit bias. The group discussed how to identify implicit bias and reflect on personal and structural means of counteracting its effects and possible responses when it occurs. The groups who attend the eConvening sessions will participate in a variety of activities to share this information with the campus.

STUDENT VOICE RESEARCH UPDATE

With support from the IEPI PRT grant, the Office of Institutional Research is working to expand the college's understanding of the student experience. CCC has partnered with Career Ladders Project to conduct student focus groups on how the college can better support them in choosing a major that is aligned with their career aspirations. The college also contracted with WestEd to conduct focus groups about how best to support students in their English and math courses. Finally, as a part of the USC Equity Alliance, CCC is participating in the National Assessment of Collegiate Campus Climates student survey, which will provide data about the students' appraisals of institutional commitment to equity and inclusion. These research activities will help the college ensure that we are supporting student success.

4TH ANNUAL #CLOVISCRAUSHGIVING DAY IS DECEMBER 1

We Are the Future

The [4th annual one-day online fundraising campaign](#) will be held on Tuesday, December 1, as part of #GivingTuesday. Clovis faculty, staff, and administrators, along with retirees and other community members, have all donated to this worthy cause. **This year's CCC goal is to raise \$25,000 to benefit our students.** One can donate to any of these five programs: Clovis Crush Student Scholarships, Crush Food Pantry, Crush Athletic Facility, Academic Senate Student Scholarships, or Classified Senate Student Scholarships.

THANK YOU to our generous donors for matching gifts:

- Gus and Greti Bonner will match \$5,000.00 (once CCC raises the first \$5,000.00) and
- Gina Cuttonone and Shawn Patty will match \$2,500.000 (once CCC raises the first \$2,500.00).

WELCOME BACK MR. LASANA HOTEPI

Mr. Hotep served as the Opening Day speaker in August and is returning to offer seminars for administrators, faculty, and classified professionals. Mr. Hotep is an antiracist and antisexist educator, strategic thought partner, and equity-advancing executive coach with a commitment to dismantling institutional inequities and creating transformative solutions for people and organizations. Mr. Hotep will present the following seminars this fall and in the spring:

- *It's Bigger Than the Student Ed Plan: Counseling in the Student Success Era*
- *It's in the Syllabus: Developing an Equity-Minded Syllabus*
- *What Do You Teach?: Transformative Teaching & Learning*
- *Beyond the Basics: Becoming a Student-Ready Campus*

DISTANCE EDUCATION AND LIBRARY FEATURED IN CIDILABS SHOWCASE NEWSLETTER

Congratulations to Instructional Designer Dr. Tracy Stuntz and Librarians Brooke Ramos and Raina Yang. CidiLabs is a program faculty uses to build courses in Canvas. STUDENTS LEARN ABOUT PAID INTERNSHIP OPPORTUNITIES AT HACU (HISPANIC ASSOCIATION COLLEGES & UNIVERSITIES) EVENT

All students were encouraged to participate in this Zoom event, hosted by HACU and sponsored by the USDA Office of Partnerships & Public Engagement. Students learned how to obtain a well-paid internship through the HACU internship program. Over 80% of these internships have resulted in full-time employment for the students involved. Erica Romero, HACU Assistant Vice President for State Advocacy, and Juan M. Alvarez, USDA Liaison, Office of Partnerships & Public Engagement, shared beneficial information and answered various questions. The Career Resource Center and Tutorial Center will host follow-up seminars to help students prepare resumes and cover letters to submit, along with their application.
