Clovis Community College
2021-2022 Catalog Addendum #2
December 2021

Corrections to General Education for the Associate Degree

Fall 2021

(Page 46 of 2021-2022 catalog)

The following sections were omitted from the catalog in error:

Competency Requirements: *English (reading and writing) and Mathematics (mathematics)*

Competence in reading and writing and mathematics is demonstrated by completing one course from each sub-area below. Grade "C" or better or a "P" required. Area D1 and Area D2 are each satisfied by completing a course for each sub-area below.

English.
> English 1A, 1AH

Mathematics.
> Business Administration 39
> Computer Science 26
> Mathematics 3A, 4A, 4B, 5A, 5B, 6, 10A, 10B,
> 11, 17, 45, 103
> Statistics 7

Area E – Lifetime Skills Requirements (One course each from E1 and E2)

E1. Complete at least one physical activity course from the following:
> Dance 9, 10, 12A, 14, 15, 28
> Physical Education 2, 6, 7, 8, 12, 12B, 14, 15, 15B, 16, 18, 19, 19B, 29, 32B, 32C, 36B, 36C, 43B, 43C, 45, 49, 49A, 71
> **See notes below regarding exceptions.

E2. Complete a transferable course(s) to complete Area E 5-unit requirement.
> Transferable courses are any course numbered 1-99 (Example: HLTH 1, ENGL 1A, MATH 11).
> ***Students who completed Basic Training will receive 5 units total (JST or DD214). See note below.

Area F – Government and American Institutions (One course, 3 units)

Completion of one of the following courses on the principles of national, state, and local government, including the study of American institutions and ideals.
> Political Science 2, 2H, 10

Area G – Communication (One course, 3 units, grade "C" or better or "P" required)

Courses listed may satisfy Area D2.
> Communication 1, 1H, 2, 4, 8, 25

Notes:

*General Education Areas(s) A-D may include courses that satisfy more than one of these areas. A course marked with an asterisk(*) **may be used only one time to satisfy one AREA within AREA(s) A- D per Title 5 §55063.** However, a course that appears in Areas A-D may satisfy a requirement identified as satisfying a Competency Requirement, and/or Areas E-G unless stated otherwise.

- For example, ENGL 1A counts for AREA DI, English Composition as well as the Writing & Reading Competency.

Classes may double count toward multiple local degrees offered through Clovis Community College. Information regarding local degrees offerings is   available:

- College Catalog
- On campus in Student Services, # AC2133
- Online college website Clovis Community College Programs/Majors

**Exceptions will be considered for P.O.S.T. program candidates, Basic Fire Academy graduates, or students who submit a physician's statement certifying that they are not physically able to participate in physical activity classes.

*** Veterans or Active Duty Reservist. Clovis Community College will grant course credit to a Veteran or Active Duty Reservist student who has completed basic military training verified by form DD-214 (Separation Document), Joint Services Transcripts, or other official forms submitted to the Veterans Counselor. The documentation must delineate completion of basic military training or credit earned in a   military school.

P/NP Pass/No Pass: is an option instead of traditional letter grade (A, B, C, D, or F). Some courses are graded on a Pass/No Pass basis or when a student elects this grading option, the grade of P, Pass, will be assigned the course with a grade equivalent of A, B, C, and credit will be awarded for the unit value of the course.

Revision to Tutorial Services

Fall 2021

(Page 71 of 2021-2022 catalog)

Revision: PowerUp Week was changed to Stay Strong Week:

Tutorial Services

The Clovis Community College Tutorial Center offers free peer tutoring in most academic subjects. Qualified, trained peer tutors are available to students with course-specific assignments, concepts, essays, and speeches, as well as help with general study strategies that will serve students throughout their education. Students may make one-on-one appointments for writing; all other subjects are offered on a drop-in basis. Hours may vary by subject. The Tutorial Center also offers additional services such as Comm lab, V.E.T.S. (Veterans Educational Tutoring Services), online tutoring, and extended hours during **Stay Strong Week**. Please visit the Tutorial Center on the main campus in AC1-137, on the Herndon Campus in Rm 10, online at Zoom ID: 559 325 5248, or call 325-5248 for more information.

Revised Associate Degree and Certificate Programs Table

Fall 2021

(Pages 75-76 of 2021-2022 catalog)

Revision: Added new program:

New Associate Degree and Certificate Programs

Fall 2021

(Pages 77-119 of 2021-2022 catalog)

CHILD DEVELOPMENT

TEACHER I

(MAJOR #C.561V.CA)
CERTIFICATE OF ACHIEVEMENT

Program Learning Outcomes:

1. Integrate understanding of the needs, the characteristics, and multiple influences on development of all children birth to age eight as related to high quality care and education of young children.

2. Analyze, demonstrate, and evaluate effective practice in working with young children.

3. Design, implement, and evaluate environments and activities that support positive developmental play and learning outcomes for all young children.

4. Apply effective guidance and interaction strategies that support all children's social learning, identity, and self-confidence.

5. Apply ethical standards and professional behaviors that demonstrate understanding and

knowledge, deepening the commitment to Early Care and Education profession.

Catalog Description: This certificate provides the educational coursework that meets Title 22 teacher qualifications for the early childhood education field and allows students to begin working in a private early care and education program.

*Students seeking work with infants and toddlers and meet Title 22 licensing requirements should select ECE 20 for their elective course.

REQUIRED CORE COURSES: 9 units

Course #:	Course Name:	Units:
ECE 1 (formerly CHDEV 1)	Principles and Practices of Teaching Young Children	3
ECE 2 (formerly CHDEV 39)	Child Growth and Development	3
ECE 4 (formerly CHDEV 30)	Child, Family, and Community	3

ELECTIVE COURSE: 3 units

Course #:	Course Name:	Units:
ECE 3[1] (formerly CHDEV 3)	Introduction to Curriculum	3
ECE 6 (formerly CHDEV 6)	Health, Safety, and Nutrition in Early Childhood Education	3
ECE 7 (formerly CHDEV 15)	Diversity and Culture in Early Care Education Programs	3
*ECE 20[1, 2] (formerly CHDEV 17A)	Infant and Toddler Practicum	3

[1] Students need to provide verification of immunization against influenza, pertussis, and measles, and freedom from tuberculosis.

[2] Students need to complete ECE 1 & 2 before taking the course.

Total Units: 12

Advisors: Boynton, Romero, Turpen

(Pages 77-119 of 2021-2022 catalog)

OCCUPATIONAL THERAPY ASSISTANT

OCCUPATIONAL THERAPY ASSISTANT

(MAJOR #C.4502.AS)
ASSOCIATE IN SCIENCE DEGREE
Catalog Description
Certified Occupational Therapy Assistant practitioners work in variety of settings, such as hospitals, rehabilitation centers, skilled nursing facilities, home health settings, school-based settings, psychiatric hospitals, outpatient clinics, private-practice settings, and emerging areas of practice (e.g. jails, recreational/leisure, or community benefit organizations).

The Associate in Science Degree in Occupational Therapy Assistant (OTA) program is designed to prepare each student for competent entry-level practice, be prepared to take and successfully pass the national certification examination and become a licensed as a Certified Occupational Therapy Assistant (COTA). Students completing the Occupational Therapy Assistant Program will develop an understanding of the scope of practice for COTA's under the practice framework of Occupational Therapy, in order to develop, restore or maintain, physical, cognitive, developmental and/or psychosocial aspects of functioning that impact participation in activities of daily living.

The 16-month OTA program is designed as a cohort model, with one cohort admitted annually to begin with the start of the Spring semester. Students advance through program coursework progressing in a designated sequence. Students are required to complete supervised clinical fieldwork experiences as a corequisite to academic courses, that are integrated throughout the program. Program and fieldwork requirements include completion of fingerprinting, background check[*], drug screening, physical examination, providing documented proof of immunizations, TB test clearance, and current a CPR certification for health personnel; Uniforms are required for didactic and fieldwork courses.

Level I fieldwork experience is integrated to complement core coursework, totals 100 hours, and is supported with seminar sessions for applied learning.
Level II fieldwork is completed in the final semester. Level II fieldwork requires the completion of two, full-time experiences totaling 640 hours (320 hours each) in conjunction with supplementary seminars designed to support the application of knowledge and skills. Fieldwork experiences are unpaid and complement the required coursework (ACOTE standard C.1.10).

Success on the national certification exam is dependent upon timely program completion. To ensure that students complete all graduation and fieldwork requirements in a timely manner, Associate of Science in Occupational Therapy Assistant students must complete the required minimum of 16 weeks, full-time Level II fieldwork within 18 months following the completion of the didactic portion of the program.

The Clovis Community College associate-degree-level occupational therapy assistant program has applied for accreditation and has been granted Candidacy Status by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its web address is www.acoteonline.org. The program must have a pre-accreditation review, complete an on-site evaluation, and be granted Accreditation Status before our graduates will be eligible to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

Per ACOTE timelines, candidacy status approval for the Occupational Therapy Assistant program at Clovis Community College was received in March 2020, first class started in January 2021, initial report on self-study was submitted July 2021, pre-accreditation decision to be delivered December 2021, initial on-site evaluation anticipated February/March 2022, with accreditation decision to be provided April 2022. *If ACOTE withholds accreditation due to the OTA program not being in substantial compliance with accreditation standards, all of the OTA core course units are void and non-transferrable to another institution*. Should accreditation be withheld. The OTA program at Clovis Community College has the opportunity to appeal the decision. In the event of non-accreditation, the OTA program faculty will assist students in identifying other institutions of higher education in order to meet individual educational goals.

IMPORTANT NOTE: Individuals considering entering the Occupational Therapy Assistant Program who have been convicted of a misdemeanor or felony crime will be unable to complete course and program objectives. Applicants with a history of any matters that may flag a background check and/or drug screening should contact the OTA program director for confidential advisement and planning prior to applying to the program.

ASSOCIATE IN ARTS IN PSYCHOLOGY FOR TRANSFER DEGREE

(MAJOR #C.7550.AA-T)
Program Learning Outcomes were revised as follows:
Program Learning Outcomes
1. Analyze major psychological theories and research, and apply them when examining behavior & mental processes.
2. Synthesize knowledge regarding biological, psychological, and sociocultural influences on behavior and mental processes.
3. Critically evaluate scientific claims within the field of psychology and differentiate from pseudoscience.
4. Utilize psychological applications in the pursuit of self-improvement (e.g., develop effective college learning skills) and relationships.

New Courses

Spring 2022
(Pages 149-208 of 2021-2022 catalog)

MECHATRONICS (MECH)

3A ELECTRICITY AND ELECTRONICS - DC

2 units, 1.5 lecture hours, 1.5 lab hours. ADVISORIES: Eligibility for English 1A and Mathematics 4A.
This course is an introduction to electricity and electronics including basic components, electronic circuit calculations, basic electronic test equipment use, electrical measurement, and electronic schematic diagrams. A student who has taken MECH 3 cannot receive credit for MECH 3A. (A, CSU)

3B ELECTRICITY AND ELECTRONICS - AC

2 units, 1.5 lecture hours, 1.5 lab hours. PREREQUISITE: Mechatronics 3A. ADVISORIES: Eligibility for English 1A and Mathematics 4A.

This course is an introduction to electricity and electronics including basic components, electronic circuit calculations, basic electronic test equipment use, electrical measurement, alternating current (AC) circuits, and electronic schematic diagrams. A student who has taken MECH 3 cannot receive credit for MECH 3B. MECH 3A is required to be completed prior to taking MECH 3B. (A, CSU)

Revised and Corrected Courses Fall

2021
(Pages 149-208 of 2021-2022 catalog)

BIOLOGY (BIOL)

12 Research in Biology

3 units, 2 lecture hours and 3 lab hours.
Added UC designation to catalog description.

PSYCHOLOGY (PSY)

25 Lifespan Development (See also Early Childhood Education 14, formerly Child Development 38)

3 units, 3 lecture hours.
Added new course title for cross-listed Early Childhood Education course.

Revised Courses Spring 2022

(Pages 149-208 of 2021-2022 catalog)

OCCUPATIONAL THERAPY ASSISTANT (OTA)

50 FIELDWORK LEVEL II FOR THE OTA #1

6.5 units, 19.5 lab hours.
PREREQUISITE: Enrollment in the Occupational Therapy Assistant Program, Occupational Therapy Assistant 3, 4, 6, and 42.

This course is the first fieldwork level II rotation, which concentrates on the application of knowledge and skills for the Occupational Therapy Assistant (OTA) student. Students complete 8 weeks of full-time supervised fieldwork (totaling no less than 320 hours) in a facility working with clients/patients with physical and/or psychosocial dysfunction. Students are required to attend additional seminar meetings during the 9-week rotation. Students will be placed in two distinctly different clinical settings for OTA-50 and OTA-51 in order to experience a broad range of clinical expectations and scenarios. (A, CSU)
Revised catalog description.

51 FIELDWORK LEVEL II FOR THE OTA #2

6.5 units, 19.5 lab hours.
PREREQUISITE: Enrollment in the Occupational Therapy Assistant Program, Occupational Therapy Assistant 50.

This course is the second fieldwork level II rotation, which concentrates on the application of knowledge and skills for the Occupational Therapy Assistant (OTA) student. Students complete 8 weeks of full-time supervised fieldwork (totaling no less than 320 hours) in a facility working with clients/patients with physical and/or psychosocial dysfunction. Students are required to attend additional seminar meetings during the 9-week rotation. Students will be placed in two distinctly different clinical settings for OTA-50 and OTA-51 in order to experience a broad range of clinical expectations and scenarios. (A, CSU)
